In order to assure a proper fitting replacement cover, please carefully measure your current cover. If this is a new cover, please carefully measure your spa or hot tub and fill in the measurements on the form below. All measurements must be in inches.

If you aren't sure of the measurements or have any questions as to how or what needs to be measured then please call us toll free at **1-800-735-5290** or email us at **customercare@rhtubs.com** and one of our customer care representatives will be happy answer your questions and walk you through the measuring and ordering process.*

***Please Note - These covers are custom made to your specifications and we can't take responsibility for miss-measurements!**

Step 1. Using the chart below, please circle and fill in the shape of your hot tub/spa cover:

***Some Spa Manufacturers, such as Hot Springs, don't fit any of the choices shown below. Not to worry, we have cover templates for just about every hot tub or spa ever made. We'll still need to know the brand, model and year that your hot tub or spa was manufactured, but just give us a call and we'll be happy to take care of your cover needs!**

Hot Tub or Spa Cover Shape: _____

Step 2. Using the chart above, fill in the direction of the hinge of your cover. For example, if the hinge runs parallel to measurement A, type in "A". Hinge Direction: _____

Step 3. Once Again, using the chart above, please fill in the measurements in inches that correspond to the shape of your cover or hot tub. If a particular measurement is not part of your cover's shape, please leave it blank.

All Aluminum Covers with measurements of 96" or less are only \$1,195.00 and qualify for free shipping & delivery. If you require a cover larger than 96", please call us toll free at **1-800-735-5290** or email us at **customer@rhtubs.com** for pricing.

The overall dimension of the cover is less than the overall dimension of the spa. This is for proper gasket sealing.

Dimension A: _____ Dimension B: _____ Dimension C: _____ Dimension D: _____ Dimension E: _____

**Please Note - The image above shows that the cover needs to be slightly smaller than the overall size of the hot tub or spa in order for the sealing gasket to have a positive seal.*

Step 4. These covers come standard with slightly rounded corners. If your spa has rounded corners, please fill in the dimension of the radius in inches as pictured below. If the corners of your cover are square, just put a check mark next to "Square Corners."

Radius, in inches, of Round Corners: _____

Square Corners: _____

Step 5. The perimeter trim on our Aluminum Covers is available in two colors, Gold and Silver. Please select your cover trim color: **Gold:** _____ or **Silver:** _____

Step 6. Choosing the color of your cover. Using the color chart below, please circle the color for your new aluminum cover:*
